

# IL HOUSING BLUEPRINT

THE FUTURE OF HOUSING IN ILLINOIS

## LISTENING TOUR 2020

As our world changes, our housing needs change too. Agencies, organizations, and residents across Illinois are working together to build a Housing Blueprint to ensure that we understand and can meet the housing needs of communities across our state both now and in the future.

The Blueprint's Listening Tour provides the opportunity to meet and engage with residents statewide. IHDA and other partners working on the Blueprint will be hosting these meetings to discuss and listen to residents' experiences, needs, and hopes surrounding housing in their community. These discussions will help to shape the goals and work of the Housing Blueprint in the years to come.

## MORE ABOUT THE HOUSING BLUEPRINT

The Housing Blueprint is a statewide planning endeavor that will develop a vision for the future of housing in Illinois, and lay out a plan for achieving it. The Blueprint is coordinated by the Illinois Housing Development Authority (IHDA), however it is a product of the collective participation and collaboration of a wide and diverse group of agencies, organizations, and residents from across the state. Together, these groups have committed to sharing their perspectives, knowledge, and expertise to link to and leverage existing efforts already underway.

The Blueprint also strives to engage and raise the voices of all Illinoisans to understand the realities, needs, and hopes for housing within communities both now and in the future. Repeated on an annual basis, the Housing Blueprint provides an opportunity to reflect on our state's past impacts and achievements, assess opportunities for growth and change, and continually engage residents to be more inclusive of and relevant to the many communities throughout our state. We invite all individuals to take part in the Blueprint's process.
