

# IL HOUSING BLUEPRINT

THE FUTURE OF HOUSING IN ILLINOIS

The 2027 Illinois Housing Blueprint, led by the Illinois Housing Development Authority (IHDA), is a collaborative plan that outlines housing conditions in communities across the state while also assessing individual needs, affordability, housing availability, and much more.

The Blueprint aims to amplify the voices of Illinoisans living and working in communities across the state. There are many ways to get involved, ask questions, and share your ideas. Your input will help shape the plan.
